UCLA Urban Planning Graduate Conducts Year's Best Academic Work

Titled "Parking? Lots! Parking Over the Minimum in Los Angeles," Katelyn Stangl MURP '19 explored developer responses to parking minimums in the city.

Read more about Stangl and other APA-LA award winners [here](#).

Figure 1-1. California Regions

Transit Blues in the Golden State: Analyzing Recent California Ridership Trends

Transit patronage plunged staggeringly during the first half of 2020 amidst the worst global pandemic in a century. But transit's troubles in California date much earlier. This report examines public transit in California in the 2010s and the factors behind its falling ridership.
