METRANS on the Move: our weekly newsletter by students

COVID cases are going up! Please social distance and wear a mask.

In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

METRANS, PSR, USC UP host Boeing for Global Urban Street Network Models and Indicators Webinar

For his research, Boeing uses OSMnx, a software package he developed himself to characterize travel and connectivity. OSMnx stands for OpenStreetMap + NetworkX, and is similar to if Wikipedia and Google Maps merged.
