

## **PIMA**

### **Degree Programs**

[Pima Community College](#) is a two-year college serving the greater Tucson metropolitan area at six locations throughout Pima County. The institution focuses on providing affordable and comprehensive educational opportunities along with workforce development, career training programs, continuing education, and adult education.

They give an opportunity to learn logistics and supply chain management under Pre-Engineering. This Associate of Applied Science degree prepares the students to transfer to a university to complete a bachelor's degree in engineering.

### **Non-degree Programs**

Pima offers [Truck Driving Training certificates](#), and an [AAS and certificates in Logistics](#). The certificates are stacking; taking the full number results in the AAS degree. Pima funds faculty to transition its [AAS degree in Logistics and Supply Chain Management](#) (with a focus on Arizona and California cross-border trade logistics) into a 100% online format to extend the program's reach and enrollment. CSULB supports Pima in this effort through its Virtual Logistics Peer Exchange.
